## DETAILED ACTION

### *Reasons for Allowance*

1. Claims 1 and 9-32 are allowed.
2. **Examiner's Statement of Reasons for Allowance:**

Applicant(s) invention relates to control scheme and method of control of a wind turbine.

The system has a wind turbine for production of an electrical power and is capable to be connected to a power network. The system scheme is sensing network voltage and creates a reference voltage for controls, which adjusting power level in accordance with network voltage.

There are inventions in the field that provide similar functionality and/or have similar features, as prior art of record shows. Applicant(s) invention differs from the prior art of record by the scheme configuration and its functions, which provide control steps, as disclosed and claimed, and which examiner's search failed to find.

It appears that present invention is an improvement over applicant(s) earlier invention of the record.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the Issue Fee and, to avoid processing delays, should preferably accompany the Issue Fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
